

Calling all writers and creators!

Are you tired of letting your artwork gather dust in the corner of your room?

Sick of staring at unfinished short stories on your computer?

Have a burning opinion that you want to share with the world?

If you're looking for a platform to share your work, look no further than Léger's very own newspaper, The Léger Chronicle! Our submission box is open 24/7 for your submissions. We'll be accepting anything and everything* under the sun to showcase in the next issue.
